## TERMS AND CONDITIONS/PARTICIPANT DECLARATION

The following section outlines the terms and conditions of the Applicant's participation on the CIEE Intern/Trainee Program. **You are required to read carefully the following information, and confirm that you have read, understood and agree to these terms by signing and dating the last page.** If you fail to sign or date this section, CIEE will be unable to process your application.

### SECTION I. – Applicant Responsibilities

1. The Applicant agrees that all the information provided in the application is true to the best of his or her knowledge, and acknowledges that any false or misleading information may lead to the rejection of the application or, if discovered later, to immediate dismissal from the program.
2. The Applicant is responsible for considering his or her personal health and safety needs when applying for and participating in the program. If the Applicant suffers from any health or other condition that would create a risk for him or her or others while abroad, he or she should not apply.
3. The Applicant acknowledges that he or she has been given access to the CIEE and CIEE Representative itemized list of fees associated with being on the CIEE Intern/Trainee Program. The Applicant agrees to pay all fees in accordance with the requirements of the CIEE Representative through which he or she is submitting an application. Depending upon the geographic location and lifestyle of the Applicant while in the U.S., the Applicant acknowledges that his or her monthly living expenses for housing, food, and transportation will likely total between \$1000 and \$3000 USD, an addition to the program fees noted previously. The Applicant acknowledges that other personal expenses could bring this figure higher. Stipends might not cover the entirety of program and living expenses.
4. The Applicant acknowledges that CIEE has provided access to the online Wilberforce pamphlet.
5. The Applicant is responsible for submitting all requested documentation (including a passport) to the CIEE Representative in a timely fashion for visa processing. CIEE cannot be held responsible for any additional costs incurred (including the cost of rebooking a flight) by the Applicant due to delays in submitting documentation or delays by the U.S. Embassy in issuing a visa. Moreover, CIEE advises the Applicant not to book a flight until she or he has secured the visa, since CIEE cannot be held responsible for the costs of rebooking or cancelling a flight due to delays in processing or visa rejections.
6. The Applicant must pay the local visa fee to the U.S. Embassy. The Applicant is also responsible for any additional fees that might apply at the U.S. Embassy or Consulate in the country where he or she is applying for the visa, as well as the government SEVIS fee collected as part of the application.
7. The Applicant will be subject to English language screening and will need to complete an interview in order to participate in the program.
8. The Applicant must supply CIEE with the name and contact details for an emergency contact, to be contacted in the case of emergency. These details must be included on the application form.
9. The Applicant must not submit a program application with the intent to train in the U.S. in prohibited positions, including as an au pair, childcare giver, teacher, teaching assistant, camp counselor, in private households, as a ship or aircraft crew member, or as medical staff having patient contact. More information on prohibited positions can be found on the program website at [www.ciee.org/intern](http://www.ciee.org/intern).
10. If the Applicant has recently held a J-1 Exchange Visitor Visa for the U.S., he or she may have to remain in his or her home country for a period of 90 days before beginning a new J-1 program at the same Host Organization.
11. The Applicant must not submit program application with the intent of working in a position that fills a labor need at the host organization.
12. CIEE may issue a DS-2019 form if the Applicant meets all relevant program requirements, but has no control over the decision of the U.S. Embassy or Consulate in the Applicant's country of residence to issue a J-1 Visa.

### SECTION II. – General Program Participant Responsibilities

13. The Participant is responsible for reading and carefully considering all materials made available to him or her that relate to safety, health, legal, environmental, political, cultural and religious customs and conditions in the U.S. The Participant must take full responsibility in the event that laws, regulations, or customs are broken, regardless of his or her actual knowledge of these laws, regulations, or customs.
14. The Participant is required to comply with all CIEE program rules, as listed in these program terms and conditions. If the Participant violates any CIEE program rules, CIEE reserves the right to revoke his/her legal sponsorship, which will result in the withdrawal or termination of his/her program. A terminated participant also loses his/her legal right to remain in the U.S.
15. In addition to reviewing all program materials, the Participant is required to complete a CIEE orientation.
16. The Participant is required to comply with all U.S. laws while inside the United States. If the Participant violates any U.S. law, CIEE reserves the right to revoke his/her legal sponsorship, which will result in the withdrawal or termination of his/her program. A terminated participant also loses his/her legal right to remain in the U.S.
17. The Participant must exercise due care once in possession of the legal documentation (DS-2019, DS-7002, J-1 Visa, etc.) for the program. The cost of replacing these items must be borne by the Participant.

18. The Participant is responsible for all of his or her acts along with any resulting loss or damage while on the program. The Participant agrees to indemnify and hold harmless CIEE for damages or loss to any party caused by his or her conduct.
19. The Participant is required to maintain communication with his or her Host Organization prior to arrival, notify the Host Organization in advance of his or her arrival and departure dates, and promptly advise the Host Organization of any changes to his or her travel itinerary due to visa delays or any unforeseen circumstances.
20. All travel before, during and after the program is at the Participant's own risk. If the Participant chooses to operate motorized vehicles, he or she is responsible for obtaining the necessary license, permission and insurance, and does so at his or her own risk.
21. The intention of this program is that the participant return home at the conclusion of the training and not pursue employment in the U.S. under another type of visa.
22. Once the Participant has commenced his or her travel to the U.S., CIEE cannot amend the program dates as listed on the DS-2019 for any reason. It is the Participant's responsibility to check the program start and end dates prior to traveling to the U.S. to ensure that the dates are correct.
23. If during the course of the program the Participant encounters any difficulties with his or her training position, or with safety, health, housing, the Participant must notify CIEE as soon as possible by phoning CIEE at 1-888-268-6245. In the event of an emergency, the Participant can also reach CIEE at the above number any time night or day.
24. The Participant is required to comply with all U.S. Government visa and immigration requirements, including the SEVIS requirement as follows:
  - a. Notification of arrival at U.S. Host Organization to CIEE within 20 days of the DS-2019 program start date.
  - b. Providing a valid email address and phone number upon arrival at U.S. Host Organization.
  - c. Notification to CIEE of any change in U.S. home address, phone number or email address within 10 days of the change.
25. The Participant understands that he or she is on a cultural exchange program and as such is expected to actively participate in American cultural activities during the program. The Participant agrees to make a good faith effort to seek out and participate in American cultural activities and to interact with American citizens. Depending on timing and location, CIEE will provide opportunities for the participant to attend networking or other educational events. Depending on timing, the Participant may be able to apply for the CIEE Civic Leadership Summit. Complete information about cultural exchange opportunities will be available to the Participant at a later date.
26. The Participant agrees that he or she will not engage in any activity that would bring the Intern/Trainee Program or the U.S. Department of State into notoriety or disrepute, including living in substandard or overcrowded housing. The Participant should contact CIEE for guidance if any proposed activity might cause this result. If the participant engages in such activities, his or her program may be ended prematurely and the participant will be required to return home immediately.
27. The Participant agrees to complete an online evaluation at the mid-point and end of the program, and to assist CIEE in securing mid-point and final evaluations by their internship supervisor.

### SECTION III. – Participant Responsibilities with Respect to His or Her U.S. Host Organization

28. a. Under no circumstances are internships/training positions guaranteed. A Host Organization's representation that a position is being held does not constitute a binding contract that the position will be available when the Participant arrives. The Host Organization's commitment is one of good faith only.
  - b. If the Participant does not have sufficient English proficiency, does not arrive on the expected start date, and/or made any false or inaccurate statement on the application, the offer of a position may be revoked.
  - c. If the Participant does not meet his or her contractual obligations with the Host Organization or with CIEE, CIEE may in its sole discretion withdraw or terminate sponsorship of the Participant.
29. CIEE is not responsible for the expenses incurred by the Participant if he or she has not started training by the agreed date due to financial difficulties of the Host Organization, or for any other reason not under the direct control of CIEE.
30. Participants are solely responsible for their own conduct and well-being both at and outside their Host Organization. CIEE cannot and does not monitor Participant's personal conduct, subject, however, to Paragraphs 27 and 43.
31. The Participant must only train at the Host Organization listed in his or her application and on the DS-2019 form. If for any reason a change of Host Organization becomes necessary, the Participant must contact CIEE, submit a new DS-7002 Form, and obtain approval from CIEE before changing internship/training positions. Failure to do so will result in the Participant's withdrawal or termination from the program.

Applicant First Name:

Applicant Last Name:

- 32. If the actual internship/training position deviates significantly from the terms set forth in Form DS-7002, or if the internship/training environment, for whatever reason, proves unsupportive, the Participant should contact CIEE directly. If warranted, CIEE will endeavor to assist the Participant in finding another position. However, CIEE makes no guarantee that it will be able to do so and, furthermore, makes no representation that it will be able to find an internship/training position for the Participant in the same geographical area or at the same compensation level.
- 33. The Participant's training experience must take place in a primarily English-speaking workplace.
- 34. The Participant must be covered by a Worker's Compensation policy or equivalent offered by his/her Host Organization, unless the Host Organization is exempt by state law.
- 35. If Participant is terminated by the Host Organization from the internship/ training program for non-compliance with the Internship/Training Placement Plan or the workplace rules of the Host Organization, he or she may be also withdrawn or terminated from the program.
- 36. If the Participant's original internship/training program, for whatever reason, ends prior to the end date listed on the DS-2019 form, it is the Participant's responsibility to inform CIEE as soon as this is known and, in any case, before the last day of training. Depending on the situation, the Participant will either be required to end the program early or allowed to search for a new internship/training position.
- 37. Once the Participant has arrived in the U.S. to begin his or her program, CIEE will not for any reason refund his or her program fees nor be responsible for the refund of any fees paid to third parties (e.g., the U.S. Department of State, SEVIS, etc.).
- 38. The Participant agrees not to engage in training in any unskilled or casual labor positions, in positions that require or involve child care or elder care, or in any kind of position that involves patient care or contact. Furthermore, Participant also agrees not to engage in training in a position that involves more than 20 percent clerical work. More information is available at [www.ciee.org/intern](http://www.ciee.org/intern).
- 39. Per the regulations of this program, Participants may not take a job in addition to their approved training.
- 40. The participant understands that under no circumstances can they be out of training or out of the U.S. for more than 30 days at any point during their program.

**SECTION IV. – Participant Responsibilities at the Conclusion of the Internship/ Training Program**

- 41. The Participant agrees that he or she intends to return home upon completion of the program and not to attempt to stay in the U.S. If the participant applies for a change of status to a labor visa with the U.S. Host Organization, CIEE reserves the right to refuse future J-1 visa placements with the U.S. Host Organization.

**SECTION V. – Contractual Terms and Other Program-Related Conditions**

- 42. This English language version of the Intern/Trainee Program Application, including this Participant Declaration, is the binding contract between the Participant and CIEE.
- 43. CIEE makes no representation or warranty of any kind, expressed or implied, as to the suitability of the program for the Participant, and CIEE disclaims all such warranties to the full extent of the law.
- 44. The conduct of the Intern/Trainee Program is subject to U.S. government approval and may change without notice.
- 45. The Council on International Educational Exchange, its employees, directors, officers and shareholders, (collectively, "CIEE") does not own or operate any entity which provides goods or services for the program, including but not limited to arrangements for or ownership or control over houses, apartments or other lodging facilities; airline, vessel, bus or other transportation companies; food service; or entertainment providers. All such persons and entities are independent contractors and enter into legal relationships directly with the Participant (and not through CIEE). As a result, CIEE is not liable for any act or failure to act of any such person or entity, or of any third party. Without limitation, CIEE is not responsible for any injury, loss, or damage to person or property, death, delay or inconvenience in connection with the provision of any goods or services occasioned by or resulting from, but not limited to, acts of God, force majeure, acts of war or civil unrest, insurrection or revolt, strikes or other labor activities, criminal or terrorist activities of any kind or the threat thereof, overbooking or downgrading of accommodations, structural or other defective conditions in houses, apartments or other lodging facilities (or in any heating, plumbing, electrical or structural problem therein), mechanical or other failure of airplanes or other means of transportation or for any failure of any transportation mechanism to arrive or depart timely, dangers associated with or bites from domestic or wild animals, pests or insects, sanitation problems, food poisoning, disease, epidemics or the threat thereof, lack of, access to or quality of medical care, difficulty in evacuation in case of medical or other emergency, or for any other cause beyond the direct control of CIEE.
- 46. CIEE reserves the right to provide you with information CIEE deems useful to program Participants, including but not limited to tax, travel and related services.
- 47. CIEE reserves the right to refuse sponsorship to any Applicant that CIEE deems does not meet program eligibility requirements or any Applicant that CIEE does not deem

appropriate to accept in the general interests of the program. In the event that CIEE rejects the Applicant's application to the program, any applicable refund will be made via the CIEE Representative through which the original application was submitted.

- 48. Program participation begins on the day of departure from the Participant's home country and terminates on the day of departure from the U.S. (so long as this occurs within the legal program dates). The maximum length of training is 12 months for Interns and 18 months for Trainees; however, the overall period of time in the U.S. may extend beyond the respective maximum durations as follows: The Participant can arrive to the U.S. a maximum of 30 days prior to the DS-2019 program start date and remain in the U.S. for up to 30 days beyond the DS-2019 program end date. The 30 days after the program end date represent a "Grace Period" extended to the Participant by the U.S. Government. This period is intended to be used for travel within the U.S. and the Participant is not allowed to train or to work in any capacity during this time. Moreover, the Participant also is not allowed to leave and re-enter the U.S. during this period, since the DS-2019 has expired. The participant agrees to notify CIEE if he or she completes his or her program early and departs the U.S. prior to the end date listed on his or her DS-2019 Form.
- 49. As part of this program, the U.S. Government requires that all Participants have a certain level of insurance coverage, which CIEE includes as a mandatory part of its program. The Participant is automatically covered within the internship/training program dates as outlined on the DS-2019 form. Should the Participant plan to arrive to the U.S. before the program start date, or to remain in the U.S. after the program end date during the "Grace Period" as outlined above, this must be made known to CIEE during the initial processing of the application. CIEE cannot be held responsible for any insurance claim made outside of the insurance dates confirmed to the Participant in his or her pre-departure program materials.
- 50. Under the U.S. Government's Health Insurance Portability and Accountability Act (HIPAA), CIEE is restricted in its access to certain medical information or records in the event that a Participant has an accident in the U.S. In order for CIEE to assist the Participant to the fullest extent possible with insurance-related issues, CIEE will need to have a signed Privacy and Confidentiality Release Form from the Participant. This form is optional and the Participant can choose whether or not CIEE is granted access to this information. All exchange visitors also may be subject to the requirements of the Affordable Care Act.
- 51. CIEE reserves the right to dismiss the Participant from the program if, in its best judgment, the Participant is deemed to be a danger to him- or herself or to others, or if his or her conduct is deemed to be detrimental to the program in any way. In the event of such a dismissal, CIEE shall not be held responsible for any resulting expenses incurred by the Participant such as airfare, and shall not be required to return any fees paid by the Participant.
- 52. Once the Participant has departed for the U.S., he or she will receive no refund should he or she choose to withdraw or terminate his or her program. The Participant will also receive no refund should CIEE find it necessary to withdraw sponsorship after the Participant has departed for the U.S.
- 53. CIEE and its Representatives do not provide housing. Whether the Participant arranges housing independently or through the Host Organization where possible, he or she will be required to sign a lease and pay a deposit, which usually amounts to the first and last month's rent and may include an additional security deposit.
- 54. CIEE may provide the Participant's contact information to third parties who provide useful services to exchange program Participants. Third parties receiving this information will be required to provide the Participant with the opportunity to opt out after the first contact.
- 55. The Participant gives CIEE permission to use any written, photographic, or video images of himself/herself in the course of reporting on and/or promoting CIEE programs.
- 56.
